

## Trek Parts

Trek Parts - TREK Cleaning Machines is a maker of cleaning equipment. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have over sixty years of experience successfully designing, developing, marketing, manufacturing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are committed to offering new design concepts and top quality in order to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always offers fresh design ideas. They like offering products that energize both their partners and their dealers and provide production gains to their customers.

The TREK team of employees likes new challenges and new tasks. They are extremely proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' skills and requirements combined with their understanding of cleaning applications, together with owners' strong desire to considerably lessen expense through productivity gains.

When required, the workers within TREK and its numerous dealer members in both technical support and parts would be available. Amongst their core values is their high service commitment in their customer service. Keeping their clients' cleaning machinery working and ready day after day is top priority. The company's top of the line technology delivers reliable machine that eventually lessens your cost of cleaning. The service, the product and the price all work together to be able to make them an industry leader.
