

Advance-Nilfisk Parts

Advance-Nilfisk Part - Imagine how long and tedious it would be to clean-up after a party, with out help from equipment. Not too long ago, the dust from upholstery and carpets had to be beat out of them by hand; brushes, cleaning cloths and brooms were the best cleaning products back then.

The man who founded Nilfisk-Advance, P.A. Fisker, started out as an electrical engineer who really liked to work on electrical motors. After establishing his business in the year 1906, he started to produce motors to drive drills, coffee grinders, fans and machine tools. Mr. Fisker's dream from the beginning was to own a global business marketing products globally.

The Nilfisk C1 was a remarkable breakthrough for the cleaning trade. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and could be operated by one individual. This invention came in a time where other cleaning equipment were massive and required 4 or more operators, hence, the Nilfisk C1 changed everything and developed the method we clean forever. The brain behind these first cleaning equipment remains unparalleled. Cleaning machines offer an excellent solution to an existing dilemma; stuff get filthy and need to be cleaned on a regular basis, without a lot of effort.

Slowly, the company Nilfisk-Advance grew through the years. During the early 1980's the company developed more rapidly when the business became a part of the NKT Group. With new owners on board, they focused on driving Nilfisk-Advance ahead within the business, trying to be an active global player in producing professional cleaning equipment. Nilfisk-Advance is currently located in all parts of the globe due to gradually obtaining many smaller businesses so as to expand their product selection and presence in new markets. They are really proud to present a range of cleaning solutions to suit each and every need.
