

American Lincoln Parts

American Lincoln Parts - Now associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. In the industry they are recognized within the business as providing durable and strong machines that suits the needs of larger infrastructure and heavy industry. Products made in America; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are accessible in the market under the brand name "Encore". American Lincoln could provide machines, components and warranty service for these scrubbers which have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like for instance Wal-Mart and Target. The 7765 line has earned the respect of many facility managers where efficiency and results make a difference. Lately, this particular floor scrubber model has been utilized by the architects in various construction projects like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on site because of the model's excellent quality and supreme performance level for polishing concrete.
